NEWSLETTER REPORT: Last month very few newsletters were picked up at the GSR meeting. Therefore, we had to hand deliver many of the newsletters. You will notice that on page 3 of this month's newsletter that we put in a plea to send someone to the meeting or e-mail us, and we will make arrangements to get the newsletters to the groups. The last couple of months we has some printing issues.

In the October issue the Kaukauna Intergroup was listed as the KATKATNA INTERGROUP and the November issue had a problem with page 3. We talked to Mike at Color Master, and he told us to send the pages in a pdf file and there will no longer be a problem. E-mail newsletters and meeting lists went out to 41 contacts. We also sent out eight flyers. Please be aware that if your group would like to have an announcement in next month's newsletter, the deadline is November Thirtieth, 2011.
