Motion to close

Women in the Present continues to be a strong and well-attended Thursday meeting with consistent participation and a steady flow of newcomers each week. The group remains active in service and community involvement. In February, our group helped sponsor the Women's Recovery Workshop. Many of our members attended and provided service throughout the event, which was a great success with approximately 84 women in attendance. Overall, the group is healthy, engaged, and continuing to support women in recovery in our area.

In Service,

Tamra G - WITP GSR

Greetings along the Broad Highway!

The Monday Morning Big Book Group continues to study the solution contained in our Book. We meet Monday mornings at 8:30am at the 218 Club on Oneida Street and have been at the same time and location since 1983.

We held our first business meeting in recent history last month where Group Consciences were obtained in motions on the Area 74 Assembly Floor. We continue to look for an Alternate to act as GSR when the current GSR is not available.

Yours in service;

Mike Nuckles-GSR MMBB
