In reviewing the minutes from April, I saw that there was some confusion regarding administrative powers for hotline changes. The change that is being made is that those who are coordinators for each day of the week will have administrative powers to change shift information for individuals staffing the hotline. Not every hotline volunteer will have this administrative authority.

Reports

Greetings along the Broad Highway;

The Monday Morning Big Book Group studies the Big Book of Alcoholics Anonymous every Monday morning at 8:30am at the 218 Club. Previously we've been able to assert that we meet rain or shine, snow or no, holiday or not. The snowstorm of 3 weeks ago has debunked that assertion and we missed a meeting for the first time in recorded group history which began in 1983.

We hold our regular business meetings on the 3rd Monday of the month after our normal meetings. Last month is was decided by our group that we'd like to see the 30 stories that will be not be published in the next Big Book to be published in a new edition of Experience, Strength and Hope.
Our next business meeting will be held Monday April 20th.

Yours in service;
Mike Nuckles-GSR

Early Risers – Saturday 8 a.m. @ St. John the Baptist Church. (Cardinal Ln. and Glendale Ave. in Howard. Early Risers is a closed AA meeting that continues to grow and strengthen our fellowship every Saturday, year-round. Each month begins with a step study, followed by open discussion meeting, a traditions meeting, and a guest speaker on the final Saturday of the month. As we move through November, we are especially grateful for the fellowship, the newcomers, and the continued opportunity to practice gratitude

Thank you

Doug Feck

Women in the Present remains strong and consistent, with weekly attendance of 25+ women. We continue to welcome new members regularly as newcomers keep finding our group.
