- DCM Report- WELCOME BACK everyone! I hope your summer to this point has been a productive one. By our measure if you are still sober, you are being productive and you are growing! Officially, while representing the body of District 01 I attended the East Central Regional Conference (ECRC) that was also combined with the Area 74 Conference, as well as the Area 74 Committee Meeting (ACM) July 18th in Three Lakes. Standout recollections from these include our ECR Trustees report of the General Service Conference, which shows me I have growth to accomplish in the area of open mindedness and the voice and authority of the group conscience. I submitted my first ever motion to the body at the ACM (as A74 Literature Chair) which will be put before the body to vote on at the October Fall Assembly. Search for your next DCM continues, hopefully I will get to introduce him to you tonight.

Yours in service;
Mike N-DCM (Interim)D01

GSR Report for August 2026

- We are a discussion meeting after a topic or reading is introduced by the chair.
- We average 12-20 people weekly with a mix of long-term sobriety and newcomers. We frequently have visitors from out of town.
- Very welcoming, diverse group with lively conversation.
- We celebrate AA birthdays with coins and provide coffee and cookies at meetings.
- We had our first business meeting in a looong time in June.
- The meeting has a potluck/speaker event every year on Memorial Day and Labor Day in the courtyard of the church which draws a good crowd including many attending from the treatment centers downtown. The upcoming potluck and speaker event is Labor Day, September 7thth – Food at 5:30PM and meeting at 7:30PM around the bonfire. Bring a side dish to pass.

Gratefully,
Jodi Blades

Women in the Present meets Thursday's at 7pm at The Bridge. Attendance remains strong & consistent, and we continue to see both newcomers and women returning to the program finding their way to our meeting.

We've also had some great fellowship opportunities throughout July and August. We held a kayaking and picnic event that was open to all women in recovery, not just members of Women in the Present. It was well attended and was a great opportunity to extend fellowship beyond our home group and connect with other women in the recovery community.

We also held a remembrance walk honoring two of our members who passed away this year, Jeri Lyn K. and Deb P. As part of the remembrance, we planted a tree and placed a memorial plaque in a local park in their honor. It was a really meaningful way for our group to come together, remember them, and create something lasting in recognition of what they meant to our fellowship.

Overall, Women in the Present continues to be a strong and active group. We're grateful to see women continuing to find connection, fellowship, and recovery with us.

Grapevine Monthly Report

- Nothing new to report, but we as a district should continue to push The Grapevine app as a wonderful resource full of daily quotes, stories and a fully-searchable archive of all grapevine articles published going back to its first article published in 1944.
- Please note that there is a one page section on the green bay AA website devoted to the Grapevine and that link is:
