○ DCM Report- As most of you who know me already know, service to Alcoholics Anonymous and District 01 is near and dear to my heart. AA, through the voices of you and others saved my life then gave me a life of value that is worth living. It is a debt I feel I can never fully repay. It is for exactly this reason and the hope that the spiritual awakening offered by AA's steps and the practicing of its principles and Traditions and the hope that AA and District 01 remain spiritually healthy, vibrant and available for generations to come, I feel strongly we must practice the principle and spirit of rotation. I have been in the role of your DCM for more than 3 wonderful years of challenges and growth. It is time to step aside and let one of you experience the joys of Servant Leadership. As one noted former Trustee to the General Service Board of Alcoholics Anonymous once said "Service looks a lot like work but feels a lot like love." I know there is someone in this room tonight who loves AA as much as I do, so I ask you listen to the spirit within and in the words of our own AA World Services General Manager "When an opportunity for services comes up and I am eligible, do I out my hand up and let God figure out whether it's right for me.
Listen to your heart tonight.

Yours in love and service;

Women in the Present meets Thursday nights at 7:00 at The Bridge. Newcomers continue to find us, and we continue to have strong, consistent attendance. At our last business meeting, we actually had the most participation we’ve had in a long time, which was great to see.

Last month I shared about the memorial for Debbie P. and Jeri Lynn. This month, we’re honoring another longtime member of our group, Kris C., who passed away in February. This Saturday, several of us are gathering with her husband and daughter at their home to place a memorial plaque in her monarch butterfly garden in her memory.

We’re grateful to be able to honor the women who have been such an important part of our group and our fellowship.

WITP GSR, Tamra

My name is Carrie Puzen, and I am the General Service Representative (GSR) for Zooming Women in the Present.

Our group meets virtually every Thursday at 7:00 PM. We have regular attendees from the Fox Valley area, usually around six regular members, along with two to three outside attendees from different areas of the United States and occasionally Canada.

We are a small group, but we are very welcoming and supportive. Depending on the week, we read from the Grapevine, Daily Reflections, or use a topic chosen by the chairperson.

We always welcome new members and are grateful to be able to connect with women in recovery from different areas.

Thank you!

Carrie Puzen

GSR Report for September 2026

- We are a closed discussion meeting where a topic or reading is introduced by the chair.
- We average 15-20 people weekly with a mix of long-term sobriety and newcomers. We frequently have folks from the downtown treatment centers.
- Very welcoming, diverse group with lively conversation.
- We celebrate AA birthdays with coins and provide coffee and cookies at meetings.
- Our next business meeting is next Monday, September 14th.
- The meeting has a potluck/speaker event every year on Memorial Day and Labor Day in the courtyard of the church which draws a good crowd. The event this past week on Labor Day, September 7thth was well attended.

Gratefully,
